Welcome

to Peterborough Artists' Open Studios (PAOS) 2022.

It's exciting to see PAOS continuing to flourish as a community of over 100 local artists and makers who live or work in the PE postcode area. They showcase their work in their homes, studios, community centres and even garden sheds to members of the public over 3 separate weekends.

This brochure provides you with information on the different artists taking part in PAOS 2022, their artistic disciplines and where to find them.

Over 100 artists are exhibiting this year at 57 different locations all across the city and surrounding villages. We are pleased to welcome a number of new artists exhibiting with us for the first time. We are also pleased to welcome our new chair Colin Chapman

Studios open 25, 26 June, 2, 3, 9, 10 July

www.paos.org.uk

What to expect

When you visit the venues, you will receive a warm welcome and the opportunity to enjoy seeing original arts and crafts and meet the makers and creators. You will have the opportunity to buy original pieces of work from members and, in many locations, enjoy refreshments and the opportunity to enjoy the gardens too.

Planning your visits

You can visit as many or as few artists as you wish. Please check the dates, opening and closing times and location of your chosen artist(s) before you set off so you can enjoy as many venues as you can within the area.

Access

As most venues are private homes, disabled access may be limited. It may be worthwhile contacting the host before you set off to discuss your requirements.

Liability and Copyright

PAOS cannot accept liability for any loss, damage or injury sustained to any member of the public visiting any of the venues. The public enters at their own risk. The content of this brochure is correct at the time of going to press (April 2022). Due to personal circumstances, member information may change without prior notice. Please check the website www.paos.org.uk for information. We hope you enjoy PAOS 2022 and, if you wish to join PAOS, please visit our website to find out more.

Your chance to win £100

We are pleased to be celebrating Open Studios again this year with the return of our competition.

Win £100 to spend with the PAOS artist(s) of your choice.

For a chance to win, collect 8 stickers from 8 different venues (each venue has a corresponding number on the grid in your brochure) An artist at the venues you visit will add a venue sticker to the grid in your brochure. Once you have 8 stickers, please fill in your details, cut out the page and hand it to an artist at one of the venues.

**Free
prize draw**
No purchase
necessary

You can enter more than once if you're really crazy for local art and have visited many more venues.
But remember all entries must be in multiples of 8.

Entry closes at the end of events on 10th July. The winner will be notified by the end of July
Visit www.paos.org.uk for terms and conditions.

Our Free Prize Draw has proven to be lots of fun and a big hit with visitors over the last few years. Two years ago we changed the competition format to the PAOS sticker format. This has worked really well and also allows us to collect data on how well the various venues are being visited.

Below are our two lucky winners from 2017 and 2018, who were over the moon to spend their £100 PAOS vouchers with the artist of their choice.

Chloe Walker Harrison, winner of our Prize Draw in 2017.

Prize Draw winner in 2018, Julie Errington delighted with her vouchers.
