Celebrating 25 Years of Creativity in Peterborough

2026 is a landmark year for Peterborough Artists' Open Studios as we celebrate 25 years of supporting artists and sharing creativity across the city. What began as an artist-led initiative of 5 and has grown to over 100, into one of Peterborough's most anticipated cultural events, connecting artists, makers and audiences year after year. This summer, artists and makers at all stages of their careers, from emerging talent to established professionals, will open their studios, homes, gardens and community spaces across Peterborough. Over three inspiring weekends, visitors are invited to discover original work, meet the artists and experience creativity at its source. Studios are free to visit, and this brochure showcases all participating artists to help you plan your route. Whether you are a regular visitor or discovering Open Studios for the first time, 2026 promises an exceptional year of art, craft and making. For maps, dates and venue details, visit www.paos.org.uk.

WHAT TO EXPECT ON YOUR VISIT

A warm welcome, original art and craft, and the opportunity to meet the artists behind the work. Artwork is available to purchase, and many venues also offer refreshments and garden spaces to enjoy.

PLANNING YOUR VISIT

Visit as many or as few artists as you wish. Please check opening times and locations before you set off to make the most of your visit. Many artists accept card payments, though bringing some cash is recommended.

To celebrate our 25th year, take part in "Your Chance to Win". Visit eight participating venues during Open Studios for the opportunity to be one of five winners to receive £50 each. Full details are available in this brochure on page 10.

ACCESS

As many venues are artists' own homes or studios, disabled access may be limited. We recommend contacting artists in advance to discuss individual requirements. Artist details are available at www.paos.org.uk.

HOW TO USE THIS GUIDE

This guide contains details of all artists, artist groups and venues taking part. Each entry is listed according to which area of Peterborough they are in, divided into five art trails. They each have a map reference number, so you can see where they are located on the maps in this guide. Simply select which artist or venue you want to visit, check when they're open and make your visit. There's no need to book in advance, and there's no admission charge for any studio.

Trails offer a unique way to explore Peterborough. We have five suggested routes from artists, linking studios, local attractions as well as refreshment stops. Trail numbers are shown on top of each map and show the area they cover. The trails are a good opportunity to see many artists over one of the weekends, and remember if you visit more than eight venues you can enter our free prize draw too.

DID I WIN?

To celebrate 25 years of Peterborough Artists' Open Studios, we're inviting you to explore more of the city than ever with our "Your Chance to Win" prize draw.

It's a great way to discover different artists in different places, from studios and homes to community spaces. Why not use the trail maps to plan where you'd like to visit and make the most of your Open Studios experience?

Visit eight different Open Studios venues during the event and you could be one of five winners to receive £50 each, that's £250 this year to spend with PAOS artists of your choice.

HOW TO ENTER

Each venue has a corresponding number on the grid in your brochure. When you visit a venue, an artist will add a venue sticker to your grid. Once you have collected eight stickers, complete your details, cut out the page and hand it to an artist at any participating venue.

If you're a real supporter of local art, you can enter more than once — just remember that all entries must be in multiples of eight venues.

You can also enter by emailing a photo of your completed page to:
